**RE: Possible affordable option between houses and apartment buildings
within a new PZD**

Alderman Rhonda Adams asked Jeremy and me to consider and work on a possible amendment to the U.D.C.'s definition of "family" in order to facilitate an alternative housing model that would allow higher density than a house, but would be more "home-like" than a standard apartment building. With the U of A's recent announcement that it will continue to strive to grow by over a thousand additional students for the next few years, the City needs to plan to make new, attractive and affordable housing options allowable for our increasing student population to protect our existing single family neighborhoods. Without such an option, our neighborhoods will likely see increasing pressure and problems from over-occupied houses.

To meet this need and Alderman Adams' request, Jeremy and I worked out a possible amendment to the definition of "family" with Rhonda that would increase the maximum number of unrelated persons in a housing unit from 4 to 5 in a specific PZD approved by the City Council in a case by case consideration and with proper safeguards for the surrounding neighborhood. Such safeguards would likely include buffering from other residential housing, limitations as to the number and type of structure allowed ("free standing structure of not more than two stories") and whatever else that the City Council, after listening to public comment, would believe to be appropriate to protect the surrounding neighborhood.

Alderman Rhonda Adams has approved this proposed amendment and submits it for your consideration.

ORDINANCE NO. _____

AN ORDINANCE TO AMEND THE DEFINITION OF "FAMILY" FOUND IN CHAPTER 151 **DEFINITIONS** OF THE UNIFIED DEVELOPMENT CODE TO ALLOW THE CITY COUNCIL TO AUTHORIZE UP TO FIVE (5) UNRELATED PERSONS IN SOME UNITS OF A PLANNED ZONING DISTRICT

WHEREAS, the current definition of "Family" in the Unified Development Code has been in effect over the last decade and has been approved by the United States Department of Housing and Urban Development after being challenged by a landlord or tenant; and

WHEREAS, the current definition of "Family" in the U.D.C. limits the number of unrelated individuals in a housing unit to three (3) for single family districts and four (4) in multifamily districts in order to protect neighborhoods; and

WHEREAS, in rare circumstances and with appropriate safeguards the City Council should be authorized to allow up to five (5) unrelated persons in a unit within a Planned Zoning District designed for such occupancy.

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE, ARKANSAS:

Section 1: That the City Council of the City of Fayetteville, Arkansas hereby repeals the current definition of "Family" found in the **Definitions** Chapter of the Unified Development Code and enacts a new definition of "Family" as shown below

"Family. (Zoning) In R-A, Neighborhood Conservation and all single family districts including single family Planned Zoning Districts, a "family" is no more than three (3) persons unless all are related and occupy the dwelling as a single housekeeping unit. In all other zoning districts where residential uses are permitted, a "family" is no more than four (4) persons unless all are related and occupy the dwelling as a single housekeeping unit with the exception that the City Council may permit a definition of "family" as no more than five (5) persons unless all are related and occupy the dwelling as a single housekeeping unit in a specific Planned Zoning District with proper safeguards for the surrounding neighborhood such as requiring that each five person unit must be placed within a freestanding structure of not more than two stories and be

buffered from other residential districts outside the Planned Zoning District. Persons are "related" for purposes of this definition if they are related by blood, marriage, adoption, guardianship, or other duly-authorized custodial relationship. The definition of "family" does not include fraternities, sororities, clubs or institutional groups."
