Subject: Dryve Inc. Limo Application

Mr. Censullo contacted me by phone with a desire to receive the required city permits for limo operation. I provided him with instructions on the city council process and have since received and reviewed his application materials. I questioned the terms listed in his insurance quote and received explanations in the form of emails from both the insurance company and applicant for clarification of meeting the city ordinance requirements.

I recommend we move his application to the city council docket.
