ORDINANCE NO. _____

AN ORDINANCE TO AMEND §114.02 FARMERS' MARKET TO AMEND THE USE OF PARKING SPACES ON THE SQUARE ON SATURDAYS, TO PERMIT SOUND AMPLIFICATION DURING FARMERS' MARKET WITH A SPECIAL EVENT PERMIT AND TO MAKE OTHER CHANGES

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FAYETTEVILLE, ARKANSAS:

Section 1: That the City Council of the City of Fayetteville, Arkansas hereby amends §114.02 **Farmers' Market** (A) *Establishment, location and parking restrictions* of the Fayetteville Code by repealing it in its entirety and enacting a replacement (A) as shown below:

“(A) *Operation of the Farmers' Market on the Square.* The nonprofit Rural Mountain Producers Exchange is authorized to continue to operate the Farmers' Market on the Fayetteville Square in conformance with the following conditions. This marketplace shall be located on the interior parking spaces (those parking spaces adjoining the Old Post Office) of the Downtown Square. Vendors shall be permitted to park their vehicles at right angles to street curbs provided that no vehicle shall be permitted to extend into the street in such a manner as to obstruct the free flow of traffic, and no vehicle shall be parked within 15 feet of any fire plug. All public sidewalks around the Square shall remain freely available to the public with the inside two-thirds width of the sidewalks free from any tables, booths or displays. Farmers' Market vendors may occupy no more than one-third of the width of the sidewalk directly in front of their assigned parking space. As long as pedestrian traffic is not obstructed or hindered, the corners of the Square's sidewalks and any unoccupied space around the outside third of the sidewalk can be used during the authorized hours and days of the Farmers' Market for governmental communications, free speech and acoustic music purposes. No sound amplification may be used unless approved by the City through its Special Event Permit Process.

Section 2: That the City Council of the City of Fayetteville, Arkansas hereby moves and renames Section 114.02 (B) to (C), moves and renames Subsection (C) to (D), moves and renames Subsection (D) to (E), and repeals Subsection (E) in its entirety.

Section 3: That the City Council of the City of Fayetteville, Arkansas hereby enacts a replacement subsection (B) as follows:

“(B) Expanded Saturday use of the Square.

(1) All streets closed. The exterior parking spaces for all streets around the Square: East, Center, Block and Mountain shall be available for vendors as assigned by the Rural Mountain Producers' Exchange management by closing all four streets to non-vendor vehicular traffic. Vendors using large commercial delivery vehicles, such as box trucks, shall either be located on the interior parking spaces around the Old Post Office Building or park their vehicles outside the designated market area to maintain storefront visibility. The Rural Mountain Producers Exchange management may leave Center Street or Block Avenue open to through traffic if there is an insufficient number of vendors to fill the north side parking spaces of Center Street or the west side of Block Avenue. The requirements of this subsection shall not apply to Center Street when it remains open to through traffic. No vendor parking is allowed on the west side of Block Avenue, except for food trucks which shall be limited to the southern most and northern most parking spaces.

(2) Pedestrian aisles. To facilitate the flow of pedestrians between storefronts and the streets, midblock pedestrian aisles of at least five feet in width shall be maintained on both sides of each closed street. On the west side of East Avenue, the Old Post Office access easement shall be such an aisle. On the south side of Mountain Street, the opening into the Town Center Plaza shall be used for the aisle.

(3) Exhibition spaces. A minimum of twenty eight (28) feet on either side of each closed street shall be set aside and managed by the Rural Mountain Producers Exchange management as exhibition space for nonprofit entities. The Exchange management shall make available an online form for the reservation of exhibition space on a first-come, first-served basis. No vehicles may be parked within exhibit spaces. Unclaimed exhibition space shall be managed by the Rural Mountain Producers Exchange management and may be used by store owners for sidewalk sales, as temporary seating or by market vendors.

(4) Prepared food vendors. Vendors serving prepared food for consumption at the Farmers' Market shall not be located directly in front of any restaurant storefront without the written permission of the restaurant owner.

Section 4: That the City Council of the City of Fayetteville, Arkansas hereby amends section 114.02 (C) *Articles permitted to be sold* by adding “and have all appropriate permits” to the last sentence.

Section 5: That the City Council of the City of Fayetteville, Arkansas hereby enacts section 114.02 (H) *Dogs on the Square during the Farmers' Market* as follows:

(H) Dogs on the Square during Farmers' Market. The presence of properly leashed and socialized dogs shall be allowed on the Square during Farmers' Market. Each person with a leashed dog shall have on their person a plastic bag which must be used immediately by the dog's handler or owner to remove any and all feces from their dog. Such bag must be immediately shown to any Fayetteville Animal Control Officer or Police Officer when requested. If a dog damages any vendor's produce or product, the owner or handler shall immediately pay the full value to the vendor for such damaged produce or product. Any unprovoked dog that acts aggressively toward other dogs or provokes other dogs, and any dog that growls or acts aggressively toward any person shall immediately be removed from the entire Square area by its owner or handler and never returned until properly socialized not to be aggressive to humans, dogs or other animals. A Fayetteville Animal Control Officer or Police Officer can order any owner or handler to immediately remove a dog from the Farmers' Market area if in their opinion the dog is not properly socialized or is otherwise a safety or other type of problem. Failure to obey such lawful orders or any other violation of any provision of this subsection can be punished by a fine of up to \$250.00.

Section 6: That the City Council of the City of Fayetteville, Arkansas hereby enacts section 114.02 (I) *Annual Report to City Council* as follows:

“(I) Annual report to City Council. The Rural Mountain Producers Exchange shall present its annual written report and answer questions about the operation and revenues received and expended in the Rural Mountain Producers Exchange to the City Council during its first meeting in March of each year. This written report shall include year-to-year changes in gross revenues and expenditures and the portion of revenue that is used for administrative overhead, and not actual sales numbers. It shall also provide this same information relative to its operation on any other City property such as the Botanical Gardens at the Lake Fayetteville Park. This information will not be combined, but differentiated between the Square and other locations. The Rural Mountain Producers Exchange shall publish a map of the Square showing the locations of vendor and nonprofit exhibit spaces and provide for online reservation for nonprofits.

Section 7: That the City Council of the City of Fayetteville, Arkansas hereby enacts section 114.02 (J) *Fees* as follows:

“(J) *Vendor Fees.* The Rural Mountain Producers Exchange shall not adjust the fees it charges to vendors except with a vote of its full membership.

Summary re: Farmers' Market expansion

For safety

- Block Ave will be closed to traffic this season. Center St probably closed in 2014.
 - Right-turns would still be allowed at each corner of the square.
 - When a street closes, the Market can use the parking spaces on both sides of the street.

More space for everyone

- Vendors and nonprofit/social groups both get more space (about 37% more each).
- Today, about 11% of all space is reserved for nonprofits/social groups. That ratio is maintained.
 - I call that space *exhibition space*.
- Exhibition space is allocated equally to each street that is closed to traffic.
- More space for guest vendors (face painting, weaving, etc), musicians, and performance troupes.

For the brick and mortar businesses

- Sidewalk sales are allowed, and the Farmers' Market will do cross-promotion for the businesses.
- Lines of sight from the street to the stores are maintained by limiting vehicle locations. On Block Ave, no vehicles will be parked in front of storefronts.
 - Tents are raised high enough so that passersby can see underneath them from the street and observe the activity on the sidewalk, drawing them closer to storefronts and sidewalk sales.
- Midblock pedestrian aisles facilitate pedestrian flow between sidewalks and the streets.

Dogs

- Dog lovers will have a right to bring their dogs.
- Owners must carry plastic bags and are responsible for their dogs' actions (they have to pay the vendor if their dog damages merchandise).

Annual reporting and other information

- A map shall be published online which shows the location of vendor and exhibition spaces.
- The Farmers' Market will put a form for reserving exhibition spaces on their website.
- The Farmers' Market must give an annual report on changes in revenue/expenses, growth plans, etc to the City Council at their first March meeting of each year, for each of the markets located on City property.

City Council control of vendor fees

- The City Council repeals the government-mandated level of vendor fees but makes it law

that vendor fees can only be adjusted by a membership vote of the Rural Mountain Producers Exchange Board. Note: Any future City Council may reimpose a vendor fee with a new ordinance.

- The annual reports will give the Council an opportunity to review the management practices of the Market, have input on growth plans, and ample time to consider attendant legislation, if any.

**RE: Farmers' Market Ordinance as amended by Ordinance Review
Committee on April 30, 2013**

I want to thank everyone for their long and careful consideration and discussion of the proposed amendment to the Farmers' Market Ordinance last night at the Ordinance Review Committee meeting. I have prepared and attached to this memo what should be the final revisions agreed to last night as well as some minor clarifications such as referring to the Rural Mountain Producers Exchange as a "not for profit" rather than a "nonprofit" organization. Of course the major change agreed to last night was the closure of Block, Mountain and East streets around the Square (but not Center) and the allocation of the outside parking spaces to the Rural Mountain Producers Exchange. All of the ordinance language changes needed to accomplish this are in Section 3.

I also needed to include the closure of the three streets in the title of the ordinance which is slightly longer now. I added ""available" before "plastic bag" in section 5 for clarity.

Please review this possibly final revised ordinance and let me know if any further changes are needed. If I do not hear about needed changes, this will go out in the final Agenda Packet tomorrow.
