Subject: Approval of one year extension agreement with Deffenbaugh Industries, Hog Box, Waste Management of Northwest Arkansas, and Allied Waste Services of Bella Vista to haul and dispose of solid waste and recycling.

RECOMMENDATION

Staff recommends approval a one year extension agreement with Deffenbaugh Industries, Hog Box, Waste Management of Northwest Arkansas, and Allied Waste Services of Bella Vista to haul and dispose of solid waste and recycling within the City of Fayetteville.

BACKGROUND

City code allows private haulers to collect solid waste when there is an approved franchise agreement in place. The agreement allows the hauler to collect and haul solid waste in roll off style open top or roll off style compactor containers of at least 20 cubic yards or greater within the City of Fayetteville for a monthly fee of 10% of the gross revenue of services. These agreements were approved and have been in effect since August 2012. Each includes the option to renew for one additional year.

DISCUSSION

City staff recommends that the "Recycling Fee" of 5% of gross revenue received for providing the hauling of recyclables shall not go into effect until the Solid Waste Ordinances are updated to add recycling under the franchise hauling program. This is expected to occur later this year.

BUDGET IMPACT

None.

AGREEMENT TO HAUL AND DISPOSE OF SOLID WASTE & RECYCLING IN THE CITY OF FAYETTEVILLE

This Agreement (the "Agreement"), is entered into on this 21st day of August 2012, between the **City of Fayetteville, Arkansas**, a municipal corporation (the "City"), and Waste Management of Arkansas, Inc. (the "Hauler"), and shall be in full force and effect on the date first written above, City and Hauler agree as follows:

1. The term of this Agreement shall be for one (1) year, with the option to renew for one (1) additional year, unless otherwise terminated pursuant to the terms hereof.
2. Hauler agrees that from and after the original date of this Agreement, all customer service Agreements for facilities within the corporate limits of the City, excluding residential areas, entered into before or after the effective date of this Agreement, or renewed shall have terms of no more than one (1) year and any subsequent extensions shall be for terms of no more than one (1) year. No customer service Agreement shall extend the terms of this Agreement.
3. Hauler agrees and understands that it may only collect and haul solid waste using the type equipment commonly referred to as open-top roll-off style containers with capacities of twenty (20) cubic yards or greater, or roll-off style compactor containers with capacities of twenty (20) cubic yards or greater, containing waste generated from industrial, large commercial or construction/demolition activities, or which is classified as Special Waste, Hazardous Waste, grease or any other type Solid Waste which requires special handling or disposal as set forth in ADEQ Reg. No. 22. Hauler shall not collect any Class 1 or Class 4 material in other containers.

Hauler agrees and understands that it may only collect and haul recyclables outside the residential recycling program. Unseparated recyclables shall not be allowed unless Hauler has been given authority by the City to do so on a program specific basis, approval to be determined by the appropriate department director. As of the signing of this agreement, there are two unseparated recycling programs that are approved:

- a) construction and demolition waste; and
 - b) University of Arkansas event comingled containers.
4. In consideration of the right to provide the hauling of solid waste and/or recyclables described in Item #3 above, Hauler agrees and understands that it shall be required to pay a monthly fee of:
 - a) ten (10%) percent (the "Solid Waste Fee") of the gross revenue received for providing solid waste hauling services
 - b) five (5%) percent (the "Recycling Fee") of the gross revenue received for providing the hauling of the recyclables.
 5. Hauler agrees and understands that it may utilize the City's transfer station for all Class 1 waste collected pursuant to this Agreement and shall deliver all Class 4 waste to a properly licensed landfill facility. Hauler shall pay all transfer station fees to the transfer station operator and all landfill fees to the landfill operator, as they may be established and amended, from time to time.
 6. Hauler shall pay all fees due hereunder, along with submitting "Attachment A: Solid Waste Documentation", or page 1 of Attachment A in conjunction with an agreed upon vendor

- generated report, on or before the 15th of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) Hauler's worksheet calculating the fees remitted; (ii) a list of payments received from customers within the City; (iii) such list shall clearly indicate whether each payment was from a permanent or temporary customer, and (iv) the fee shall be based upon all activity from each customer account within the City, and shall include the normal billing charges for all free or discounted services (including those for non-profit organizations) including but not limited to delivery, pull charges, disposal charges, transportation charges, final pull charges, and return charges. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff.
7. Hauler shall pay all fees due hereunder, along with submitting "Attachment B: Recycling Documentation", on or before the 15th of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) volumes of recycling collected, in tons, by commodity, with disposition by destination market, for all source separated recycling; (ii) for any approved non-source separated program, the Hauler shall submit to the City by June 30th on annual basis, copies of contracts with processing mills; (iii) for any approved non-source separated program, the amounts, in tons, of recycling collected within Fayetteville, with disposition by destination market. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, other customer information, and contracts with recyclers and processing mills ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff. Any Hauler found providing services for non-source separated recyclables without prior approval by the City shall be subject to a fee of \$500.00.
8. The City shall have the right to conduct an audit of Hauler's customer files and records for all customers located within the City, provided that such audit privilege shall be limited to once per calendar quarter. If such audit reveals the Hauler should have paid at least 5% more than reported, the cost of the audit shall be paid by the Hauler to the City. During such audit, the City may review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). This information shall not be divulged to any third party by the City, its employees, officers, or elected officials without the express written consent of the Hauler, or as otherwise required by law. 13. The City reserves the right to inspect all vehicles and containers to ensure that the vehicles are safe and well-maintained and that all containers are well-maintained and water tight, if necessary.
14. If Hauler utilizes the City's transfer station, Hauler agrees and understands that it shall be required to establish an individual credit or service relationship with the City of Fayetteville transfer station operator. Hauler agrees that it shall comply with all practices, policies and procedures as established by the transfer station operator from time to time. Any tipping fee deposits required by the transfer station or landfill operators shall be refunded, less any unpaid tipping fees, when the Hauler ceases hauling activities governed by this Agreement.

1. The term of this Agreement shall be for one (1) year, with the option to renew for one (1) additional year, unless otherwise terminated pursuant to the terms hereof.
2. Hauler agrees that from and after the original date of this Agreement, all customer service Agreements for facilities within the corporate limits of the City, excluding residential areas, entered into before or after the effective date of this Agreement, or renewed shall have terms of no more than one (1) year and any subsequent extensions shall be for terms of no more than one (1) year. No customer service Agreement shall extend the terms of this Agreement.
3. Hauler agrees and understands that it may only collect and haul solid waste using the type equipment commonly referred to as open-top roll-off style containers with capacities of twenty (20) cubic yards or greater, or roll-off style compactor containers with capacities of twenty (20) cubic yards or greater, containing waste generated from industrial, large commercial or construction/demolition activities, or which is classified as Special Waste, Hazardous Waste, grease or any other type Solid Waste which requires special handling or disposal as set forth in ADEQ Reg. No. 22. Hauler shall not collect any Class 1 or Class 4 material in other containers.

Hauler agrees and understands that it may only collect and haul recyclables outside the residential recycling program. Unseparated recyclables shall not be allowed unless Hauler has been given authority by the City to do so on a program specific basis, approval to be determined by the appropriate department director. As of the signing of this agreement, there are two unseparated recycling programs that are approved:
 - a) construction and demolition waste; and
 - b) University of Arkansas event comingled containers.
4. In consideration of the right to provide the hauling of solid waste and/or recyclables described in Item #3 above, Hauler agrees and understands that it shall be required to pay a monthly fee of:
 - a) ten (10%) percent (the "Solid Waste Fee") of the gross revenue received for providing solid waste hauling services
 - b) five (5%) percent (the "Recycling Fee") of the gross revenue received for providing the hauling of the recyclables.
5. Hauler agrees and understands that it may utilize the City's transfer station for all Class 1 waste collected pursuant to this Agreement and shall deliver all Class 4 waste to a properly licensed landfill facility. Hauler shall pay all transfer station fees to the transfer station operator and all landfill fees to the landfill operator, as they may be established and amended, from time to time.
6. Hauler shall pay all fees due hereunder, along with submitting "Attachment A: Solid Waste Documentation", or page 1 of Attachment A in conjunction with an agreed upon vendor

generated report, on or before the 15th of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) Hauler's worksheet calculating the fees remitted; (ii) a list of payments received from customers within the City; (iii) such list shall clearly indicate whether each payment was from a permanent or temporary customer, and (iv) the fee shall be based upon all activity from each customer account within the City, and shall include the normal billing charges for all free or discounted services (including those for non-profit organizations) including but not limited to delivery, pull charges, disposal charges, transportation charges, final pull charges, and return charges. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff.

7. Hauler shall pay all fees due hereunder, along with submitting "Attachment B: Recycling Documentation", on or before the 15th of each calendar month for the immediately preceding calendar month. Payments of fees received after the due date shall be assessed a 10% penalty per month. If Hauler fails to pay the fees within forty-five (45) days of the due date, the City may terminate this Agreement upon delivery of one (1) written notice to the Hauler. The supporting information shall be sufficient to demonstrate the accuracy of the fee calculation, and shall include the following information: (i) volumes of recycling collected, in tons, by commodity, with disposition by destination market, for all source separated recycling; (ii) for any approved non-source separated program, the Hauler shall submit to the City by June 30th on annual basis, copies of contracts with processing mills; (iii) for any approved non-source separated program, the amounts, in tons, of recycling collected within Fayetteville, with disposition by destination market. With payment remittance, the City will review and obtain certain trade secret information, including rates, frequency of service, customer lists, other customer information, and contracts with recyclers and processing mills ("Confidential Information"). The City asserts this information is exempt from disclosure under the Arkansas Freedom of Information Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff. Any Hauler found providing services for non-source separated recyclables without prior approval by the City shall be subject to a fee of \$500.00.
8. The City shall have the right to conduct an audit of Hauler's customer files and records for all customers located within the City, provided that such audit privilege shall be limited to once per calendar quarter. If such audit reveals the Hauler should have paid at least 5% more than reported, the cost of the audit shall be paid by the Hauler to the City. During such audit, the City may review and obtain certain trade secret information, including rates, frequency of service, customer lists, and other customer information ("Confidential Information"). This information shall not be divulged to any third party by the City, its employees, officers, or elected officials without the express written consent of the Hauler, or as otherwise required by law. Act as the information meets the exemption for records that "if disclosed would give advantage to competitors." This information will only be reviewed by City financial staff, and will not be made available to City solid waste staff.

9. The City will advise Hauler of any request for information which the City, at the City's sole discretion, determines to be non-disclosable or otherwise subject to an exemption from disclosure under the Arkansas Freedom of Information Act. If a court of competent jurisdiction determines that said requested information is disclosable or otherwise is not exempt from disclosure under the Arkansas Freedom of Information Act, the City will comply with said finding and notify Hauler. Hauler agrees that all open-top roll-off style containers will be properly covered during transit on streets and highways within Fayetteville.
13. The City reserves the right to inspect all vehicles and containers to ensure that the vehicles are safe and well-maintained and that all containers are well-maintained and water tight, if necessary.
14. If Hauler utilizes the City's transfer station, Hauler agrees and understands that it shall be required to establish an individual credit or service relationship with the City of Fayetteville transfer station operator. Hauler agrees that it shall comply with all practices, policies and procedures as established by the transfer station operator from time to time. Any tipping fee deposits required by the transfer station or landfill operators shall be refunded, less any unpaid tipping fees, when the Hauler ceases hauling activities governed by this Agreement.
