## CITY COUNCIL AGENDA MEMO

---

**To:** Mayor Lioneld Jordan and City Council Members

**From:** Greg Tabor, Chief of Police

**Date:** October 25, 2013

**Subject:** 2013 Bulletproof Vest Partnership Grant Award

---

### PROPOSAL:

The Bulletproof Vest Partnership (BVP), created by the Bulletproof Vest Partnership Grant Act of 1998, is a unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement. Since 1998, the Fayetteville Police Department has obtained grant funding in excess of \$113,500 for the purchase of body armor vests through this partnership. The BVP program provides an important component to the continuing health and welfare of our police officers. Each body armor vest has a guaranteed life of five years. All state-of-the-art body armor is custom made to the exact specifications of the wearer to ensure all officers have our required level of protection and can take up to ten weeks for delivery.

This grant funding by BVP will provide reimbursement of 50% of the City's expenses up to a total of \$4,644 for the replacement of body armor vests for our police officers. The Police Department has budgeted funds within the Capital Improvements Program (project #13011-1) for the purchase of replacement body armor vests. All Fayetteville Police Officers have state-of-the-art body armor provided to them through grant and City funding.

### RECOMMENDATION:

Staff recommends approval of the 2013 Bulletproof Vest Partnership Program matching grant award and budget adjustment in the amount of \$4,644 for the replacement of body armor vests for our police officers.

### BUDGET IMPACT:

These funds are dedicated to the purchase of body armor vests to supplement local expenses. Current budgeted funds are sufficient at this time.
