CITY COUNCIL AGENDA MEMO

To: Mayor/City Council

Thru: Terry Gulley, Director of Transportation *TJG*

From: Jesse Beeks, Fleet Operations Superintendent

Date: February 12, 2014

Subject: Purchase of two Mower conditioners for Wastewater Plant East

PROPOSAL: That City Council approve the purchase of two John Deere Mower Conditioners from Countryside Farm and Lawn of Springdale, AR off the state NJPA contract 031711 in the amount of \$22,128.26 each plus tax for a total of \$48,572 for use by Wastewater Plant East.

RECOMMENDATION: Unit #589 is a 2005 Mower conditioner that was due for replacement in 2011 but was pushed back. It is worn out and needs to be replaced now. Unit #5000 is a 2007 mower conditioner that was due for replacement in 2013 but was pushed back. It also needs to be replaced now.

These mower conditioners are available from Countryside Farm and Lawn of Springdale, AR in the amount of \$22,128.26 each plus tax.

Fleet recommends the purchase of two mower conditioners off state NJPA contract from Countryside Farm and Lawn of Springdale, AR for a total amount of \$48,572.

BUDGET IMPACT: Both these units were budgeted for on the capital and operating sides. Sufficient replacement funds have not been collected, but the shortfall will be covered by a replacement "credit" on generator 9025 which was moved out of motor pool last year. This credit is excess replacement funds collected by Fleet but not used to replace the generator.
