CITY COUNCIL AGENDA MEMO

MEETING OF OCTOBER 7, 2014

TO: Mayor and City Council
FROM: Greg Tabor, Chief of Police
DATE: September 18, 2014
SUBJECT: **FY2015 Selective Traffic Enforcement Program (STEP) Grant Award**

RECOMMENDATION:

Due to the many positive results, staff recommends approval of the FY2015 Selective Traffic Enforcement Program (STEP) Grant Award and budget adjustment in the amount of \$116,900. If you should have any comments or questions regarding this grant award, please contact myself or Captain Turberville at extension 500.

BACKGROUND:

The Fayetteville Police Department has participated in STEP every year since its inception in 1998. For seventeen (17) years, we have partnered through grant funding with the Arkansas Highway Safety Office in an effort to reduce the total number of motor vehicle crashes, injuries and fatalities. Our primary strategy for reaching our mutual goals is through dedicated and diligent enforcement of occupant protection and DWI/DUI laws. This is accomplished by dedicating patrol officer(s) to monitor STEP activity for a given period of time in a known problem area. In addition to increased law enforcement, this grant funding allows us to participate in directed DWI patrols, Click It or Ticket protection mobilizations, purchase additional equipment, provide child safety seat checkpoints, and a loaner child safety seat for those in need.

DISCUSSION:

The FY2015 STEP Grant Award is based on local in-kind match of expenses and an award of \$101,900 in federal and \$15,000 in state grant funding. Local matching funds are only required on the federal funding portion and the state funding is considered local match resulting in a total of \$86,900 for Fayetteville's local in-kind match. In-kind expenses are defined as on-duty regular patrol shift hours dedicated to STEP activity; furthermore, this grant will reimburse the City for overtime hours dedicated to STEP activity. The grant period for this award runs from October 1, 2014 to September 30, 2015. STEP is a very important program and funding source for the Fayetteville Police Department. Through dedicated STEP activity during our shift hours, our Department can meet the in-kind matching funds required of this grant award. Furthermore, the loss of this grant funding would have an adverse effect on community safety.

BUDGET/STAFF IMPACT:

In-kind expenses in the amount of \$86,900 are budgeted annually within our operating budget and \$15,000 will be provided by the State for total matching funds of \$101,900. Our salary expense will not increase; patrol officers will perform matching STEP activities while on duty. Furthermore, no additional officers are required within the STEP grant.

**ARKANSAS STATE POLICE
HIGHWAY SAFETY SUBGRANT AGREEMENT**

PROBLEM AND GOALS

BACKGROUND

The State of Arkansas is taking increased steps to address safety on the State's roadways as part of an effort to implement innovative strategies to reduce traffic fatalities throughout the State. The Arkansas Highway Safety Office (AHSO) considers safety issues by focusing on behavioral aspects at the driver level. The goal is to reduce highway fatalities by better identifying driver behaviors that cause fatal crashes, implementing programs to address those behaviors and targeting locations where fatal crashes occur.

Based on a five-year average (2008 – 2012), 574 people lose their lives each year on Arkansas roadways. In 2012, there were 552 total traffic fatalities compared to 551 the previous year. Over the same five years, alcohol-related fatalities (fatalities involving a driver or motorcycle operator with a BAC of .08 or greater) averaged 164 per year. There were 143 alcohol-related fatalities in 2012.

An additional area of concern is occupant protection where in 2012 there were 207 unrestrained passenger vehicle occupant fatalities. In 2012, Arkansas' safety belt use rate was 71.9%, while the National use rate stood at 86%. Arkansas' safety belt use rate rose to 76.7% in 2013.

Also of concern are speed-related fatalities where in 2012, 76 people died as a result of speed-related crashes.

Strict enforcement of the State's traffic laws, through Selective Traffic Enforcement Projects (STEP), has been proven effective in reducing traffic crashes and fatalities. The State will continue to use this strategy to address its traffic safety problems.

PROBLEM STATEMENT

The city of Fayetteville is a community of 72,208 residents having a geographical size of 43.40 square miles. The cities posted 30 traffic fatalities from 2008 through 2012 and of those 12 were alcohol-related and four were speed-related. A seat belt use rate of 91% was recorded in 2013.

In October, 1998 the Fayetteville Police Department began a proactive approach to collision reduction which included implementation of the STEP through a grant with the AHSO. The Department wishes to continue to operate aggressive and sustained selective traffic enforcement, as well as, participate in the State's Impaired Driving, Seat Belt, and Distracted Driving mobilizations/campaigns.

GOALS

The overall goal of this project is to reduce the number of traffic-related crashes and fatalities by conducting a Selective Traffic Enforcement Project in Fayetteville. The goal for each component of this project is as follows:

Alcohol Component (Section 405) - Reduce the annual number of alcohol-related crashes from 176 and alcohol-related fatalities from 1 as recorded in 2012.

Seat Belt Component (Section 402) - Increase seat belt use from 91% as recorded in 2013.

Speed Component (Section 402) - Reduce the annual number of speed-related crashes from 60 and maintain the number of speed-related fatalities at 0 as recorded in 2012.

SCOPE OF WORK

SUMMARY OF PROJECT OBJECTIVES: This project's primary objectives are to achieve an average of three (3) vehicle stops per hour per officer during seat belt enforcement (with an emphasis on enforcement of occupant restraint laws); three (3) vehicle stops per hour per officer during speed enforcement; one (1) DWI/DUI arrest per eight (8) hours per officer during alcohol enforcement; and three (3) stops per hour during Distracted Driving enforcement (emphasis on enforcement of texting and cell phone laws). A public information and education program will support these objectives.

Policy on Seat Belt Use

In accordance with Executive Order 13043, Increasing Seat Belt Use in the United States, dated April 16 1997, the Grantee is encouraged to adopt and enforce on-the job seat belt use policies and programs for its employees when operating company-owned, rented, or personally owned vehicles. The National Highway Traffic Safety Administration (NHTSA) is responsible for providing leadership and guidance in support of this Presidential initiative. ARKANSAS STATE POLICE
HIGHWAY SAFETY SUBGRANT AGREEMENT

WORK STATEMENT

- A. The recipient, Fayetteville Police Department, in exchange for consideration offered by the Arkansas State Police Highway Safety Office, hereafter referred to as the Arkansas Highway Safety Office (AHSO), and in the interest of improving highway safety, hereby agrees to pursue the achievement of the following objectives:
1. Appoint a Project Coordinator to be a liaison between the recipient and the (AHSO) and to be responsible for coordinating selective enforcement activities and financial transactions associated with this subgrant agreement. Herein, give signature authorization for the Project Coordinator to request reimbursement and agreement change orders when applicable. Compensation for the Project Coordinator will be from local funds.
 2. Ensure that the Project Coordinator, or designee, has successfully completed the Arkansas Highway Safety Office Project Management Course if offered. This course will provide information and updates on State, Federal and Highway Safety Office policies and procedures. Travel, meals and lodging will be reimbursed for eligible participants. Participants will be notified of the specific dates and location of this course.
 3. Ensure that agency maintains an enforced seat belt policy and provides the AHSO a copy of any revisions to the policy.
 4. Conduct selective enforcement of the State's seat belt, driving while intoxicated (DWI)/driving under the influence (DUI), distracted driving (texting and cell phone use laws), speed limit, child passenger protection and motorcycle helmet laws. Officers are to ensure compliance with the State's seat belt and child restraint laws during all vehicle stops. Enforcement should target locations where fatal/serious injury crashes are occurring.
 5. **Seat belt enforcement** (from 6:00 a.m. until 9:00 p.m.) will emphasize enforcement of seat belt and child restraint laws. The primary reason for stops shall be for unrestrained vehicle occupants. Therefore, the majority of vehicle stops and citations written shall be for seat belt and/or child restraint violations. The goal of seat belt enforcement is to raise seat belt use; therefore, seat belt citations versus warnings are expected. **Speed enforcement** (from 6:00 a.m. until 9:00 p.m.) will emphasize speed violations. It may be conducted throughout the year, but is limited to the amount of funds budgeted to speed enforcement. **DWI/DUI enforcement** will start no earlier than 9:00 p.m. and end no later than 6:00 a.m. any day of the week provided the performance standard in Work Statement 6 is met. **Distracted Driving enforcement** (from 6:00 a.m. until 9:00 p.m.) will emphasize enforcement of texting and cell phone laws and may only be conducted during the Distracted Driving mobilization referenced in Work Statement 7. The AHSO retains the right to limit or modify enforcement hours and days at its discretion and as necessary to meet performance compliance requirements. Officers working on the project are expected to enforce all the laws cited in this agreement during seat belt, speed, distracted driving and DWI/DUI enforcement. **Participating officers are expected to average two vehicle stops per hour when not actively processing a DWI arrest during DWI enforcement.**

**ARKANSAS STATE POLICE
HIGHWAY SAFETY SUBGRANT AGREEMENT**

WORK STATEMENT

6. **Performance standards for the project and individual participating officers are as follows:**

<u>Seat Belt/Speed</u>	<u>DWI/DUI</u>	<u>Distracted Driving</u>
Average 3 stops per hour per officer	Average 1 arrest per 8 hours per officer	Average 3 stops per hour per officer

7. Participate in two (2) Seat Belt, three (3) DWI/DUI, and one (1) Distracted Driving mobilization during the project period. Must participate in the public information and education (PI&E) activities (press conferences/news releases) in conjunction with the mobilization activities. An informal seat belt survey conducted by the agency will also precede and follow each seat belt mobilization for evaluation purposes.

The mobilizations dates are as follows:

- State Thanksgiving Seat Belt Mobilization - November 24 - 30, 2014
- National Winter DWI Mobilization - December 12, 2014 - January 1, 2015*
- State Distracted Driving Mobilization - April 13 - 19, 2015
- National Memorial Day Seat Belt Mobilization - May 18 - 31, 2015
- State July 4th Holiday DWI Mobilization - June 29 - July 5, 2015
- National Labor Day DWI Mobilization - August 21 - September 7, 2015*

Note: Dates are subject to change.

*Conduct checkpoints and/or saturation patrols on at least four nights during the National DWI mobilizations.

Participation in all State and National Mobilizations is a required activity of this grant agreement. Project activity should be managed to ensure that sufficient funds are available to participate in these mobilizations. The amount of speed enforcement conducted by the project is limited to the SE funds budgeted. 405M8DDLE funds are designated exclusively for the Distracted Driving Mobilization. Submit a mobilization report within 15 days after a mobilization period in accordance with the format provided by the AHSO. Agency is urged to participate in sobriety checkpoints and/or saturation patrols during all DWI/DUI mobilizations.

ARKANSAS STATE POLICE
HIGHWAY SAFETY SUBGRANT AGREEMENT

WORK STATEMENT

8. Conduct other PI&E activities to support the objectives of this project. These activities will include, but are not limited to, issuing a news release at the beginning of the project period to notify the community of the project activities, conducting a minimum of two media exposures for each mobilization e.g., news conferences, news releases, interview, reporter ride-along and participating in a minimum of two (2) other community activities e.g., community events, health fairs, booths, civic/school/employer presentations during the year.
9. The only costs eligible for reimbursement are selective enforcement (which includes officer pay and applicable benefits), child safety seats (see Work Statement 10) and pre-approved equipment (see Work Statement 11). The recipient will be reimbursed for officers working selective traffic enforcement at a rate that does not exceed one and one-half times the officer's regular hourly rate. Reimbursement is limited to one officer per patrol vehicle. Officers may also be compensated at the selective enforcement rate for hours spent conducting seat belt surveys associated with mobilizations and time spent working at clinics associated with the proper installation of child safety seats. Hours spent conducting seat belt surveys, participating in sobriety checkpoints, or working at child safety seat clinics will not be used when calculating enforcement performance and should be reported separately on the supplemental monthly report form. Officers compensated through this agreement shall work strictly within the scope of this project while performing duties in connection with and being funded by this agreement. Hours worked on and compensated through this agreement must not supplant (be a substitute for) regular officer hours and pay. Routine patrol functions, including crash investigations, will be assigned to personnel on regular duty. Should a project officer become involved in routine patrol functions while conducting selective enforcement, the officer will be compensated from other funds. ***No part-time personnel can be compensated through this agreement. Note: Consistent with federal guidelines officers working Selective Enforcement should be compensated in accordance with recipient overtime policy and nothing in this agreement should be interpreted as authority to violate agency policy. Submit to the AHSO any revisions to agency overtime policy within 30 days of the effective date of the revision.***
10. If child safety seats are an approved budget line item on the invoice forms, purchase and loan child safety seats in accordance with AHSO policy. Seats must be purchased no later than February 28, 2015. Invoices for the seats must be submitted to the AHSO within 30 days of purchase. All purchases must be in compliance with federal, state and local purchasing laws and regulations.
11. If equipment is an approved budget line item on the invoice forms, purchase the following equipment to assist with the enforcement effort: **10 Portable Breath Testers** at an estimated cost of **\$4,500.00** and **One Handheld Electronic Ticketing System** at an estimated cost of **\$2,700.00** to be used during overtime traffic enforcement. Priority use of this equipment shall be given to those officers actively working STEP enforcement. Assurance is provided herein that throughout the life expectancy of this equipment, it will be used for the purposes expressed or implied in this agreement. All purchases must be in compliance with federal, state and local purchasing laws and regulations and if applicable, be listed on the National Highway Traffic Safety Administration's current Conforming Products List of Evidential Breath and Speed Measurement Devices. **ALL equipment purchases must be pre-approved in writing.**
